South Haven High School

Open to students in 9th - 12th grade
during the 2019 - 2020 school year

Are you an incoming freshmen or a current high school student who is interested in learning about the high school robotics team? If so, you are invited to join us for our annual summer skills camp.

- Hear why our team members are passionate about FIRST Robotics
- Discover what it is like to be a member of Team 4855
- Learn what it takes to build a competition robot
- Get hands-on training in building, fabricating, programming, design, and project management
- Learn how to drive and operate the robot
- Get in-depth training on scouting and game strategy
- Walk with the team in the 4th of July Parade!
